

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

WHAT CONSTITUTES A REASONABLE NIGHT DUTY SERVICE?

(In the pioneer days, three months day duty and one of night was the regulation detail. We are hearing of nurses being kept on twelve-hour night duty for six, eight and ten weeks and sometimes longer. We think this is a matter for discussion in these pages. Has not this prolonged night service crept in as a convenience to the hospital rather than for its educational advantages to the nurse in training?) Editor-in-Chief.
